USING YOUR CARD

What do I need to do before I go?

Please sign the back of your Card as soon as you get it, and memorise your PIN. Then register your Card on 'My Account' at www.cashpassport.co.za, by following the instructions on the screen. For a PIN reminder, log in to 'My Account' at www.cashpassport.co.za or you can call Card Services to access the automated PIN read back service, at any time.

Please note that you cannot change the PIN.

The Card can only be used outside the Common Monetary Area, being South Africa, Lesotho, Swaziland and Namibia.

How do I use my Multi-currency Cash Passport?

Your Multi-currency Cash Passport will generally be activated within twenty-four (24) hours of purchase or as advised by the branch where you purchased the Card. You can use your Multi-currency Cash Passport at ATMs worldwide¹, displaying the MasterCard Acceptance Mark, as well as merchants, including shops and restaurants. Just enter your PIN or sign the receipt, as requested by the merchant.

With a Multi-currency Cash Passport, you do not need to worry about bank opening hours or lengthy queues to access your funds.

How do I check my balance?

Simply go to 'My Account' at www.cashpassport.co.za, register your Card and you'll be able to see your Multi-currency Cash Passport balance, allocate funds across your various Currencies, and view any recent transactions. You may also be able to make a balance enquiry at some ATMs, although availability is dependent on the country and the ATM used. There may be a fee payable (to the ATM operator) for balance enquiries. If an ATM displays a balance for the Card Fund, then this may be displayed in USD or in a different currency, in which case the exchange rate applied may be different to ours and discrepancies can arise. An ATM will not display a balance for each Currency. An accurate balance for each Currency can be obtained through Card Services or through 'My Account' at www.cashpassport.co.za

What do I do if I find an incorrect transaction on my Card?

It is recommended that you check your transaction history and Card balance at least once a month.

If you have any queries about your Multi-currency Cash Passport balance or you notice a Card transaction that you do not recognise, please notify the 24 hour Card Services team as soon as possible and in any event within 30 days of the transaction debit date. They will be happy to check and confirm the transaction details for you.

If there is a transaction which is not correct, Card Services can start the dispute process on your behalf and may request you to provide additional written information concerning any unrecognised transaction, or to complete a dispute form (see terms and conditions for further information). Please help them to help you by providing as much information as you can.

How do I put more money onto my Card?

Just return to any participating branch of the business from which you bought your Multi-currency Cash Passport (in South Africa), and they can reload it for you, subject to Exchange Control Regulations. You will be asked to present your Multi-currency Cash Passport, a form of payment, a valid identity document, proof of residence and proof of travel. For more information on reload options, please visit www.cashpassport.co.za

What should I do with my Multi-currency Cash Passport after my trip?

Please note that it is a requirement of the Exchange Control Regulations that all unused foreign exchange is converted to ZAR ("Rand") within 30 days of returning to South Africa. We recommend that you wait until 10 days after your last transaction, before converting the funds on your Multi-currency Cash Passport back to Rand, to ensure that all your transactions have been processed in order to avoid overspending on your Card. You can withdraw the balance remaining on your Card at ATMs worldwide¹, displaying the MasterCard Acceptance Mark. Alternatively, you can take your Card back to the branch where you bought it and they'll refund the balance (minus any applicable fees, see the Fees and Limits section). Even with a zero balance, your Card is still valid until the date printed on the front, and you can reload it for your next trip^{##}.

What if I have insufficient Card funds to make a purchase in the local currency of the country I am in?

If you have insufficient funds in a particular Currency to pay for a transaction, the balance of the transaction will automatically be deducted from any other available Currencies, in the following order of priority: USD, GBP, EUR and AUD, subject to the applicable exchange rate and foreign exchange fee.

What if my Multi-currency Cash Passport is declined?

Normally, the only time this will happen is if you don't have enough funds on your Card to cover the cost of a purchase. You may be able to use the balance on your Multi-currency Cash Passport for part payment and complete the purchase with another payment method. In some countries, there may be daily or weekly withdrawal limits set by ATM operators, which may be lower than the limit on your Card.

Should I use my Multi-currency Cash Passport to pre-authorise or guarantee payment of my hotel or car hire?

It is not recommended to use your Multi-currency Cash Passport as a guarantee of payment for hotels, car rentals, cruises etc. These companies may estimate your final bill, and if you use your Card as a guarantee for the estimated amount, the funds will be temporarily unavailable to access or spend. You can of course use your Multi-currency Cash Passport to settle your final bill.

What is a Dynamic Currency Conversion payment?

Dynamic Currency Conversion (DCC) is an optional service that is sometimes offered by retailers and ATM operators abroad, giving cardholders the choice of paying in either the currency of the country they are visiting or their own domestic currency, i.e. South African Rand. If you use your Multi-currency Cash Passport to make a purchase or ATM withdrawal in a country where the local currency is the same as one of the Currencies on your Card (e.g. using the USD funds on your Multi-currency Cash Passport in the USA) and you opt to pay in Rand, this may result in a foreign exchange conversion at additional cost to you. To avoid this risk, we recommend that you choose to pay in the local currency, not Rand.

¹ The Card can only be used outside the Common Monetary Area, being South Africa, Lesotho, Swaziland and Namibia. The Card may be used for online purchases provided that the website used is not registered in the Common Monetary Area. In addition, there may be some other countries or geographical regions where usage of the Card is prohibited. Please verify the list of prohibited countries and regions at www.cashpassport.co.za

^{##} Until Card expiry and subject to Exchange Control Regulations and reload limits (see the Fees and Limits section).

Important information about foreign currency transactions

If an ATM withdrawal or point of sale transaction is made in a currency which is different to any of the available Currencies on the Card, or exceeds the relevant available Currency balance on the Card, the amount will be funded by converting the transaction amount into the next available Currency balance on the Card, in the following order of priority: USD, GBP, EUR, AUD. The foreign exchange rate used is the rate determined by MasterCard® to be the wholesale rate in effect on the day the transaction is processed by MasterCard, plus the FX fee.

Please refer to clause 8 of the terms and conditions for full details of foreign currency transactions.

For example, suppose a purchase is made using your Card overseas for US\$150, and you have the following Currency

balances US\$50, GB£0, EU€60 and AU\$100, the following application of funds will take place:

Fund balance before transaction	Total amount debited from Card Fund	Running purchase balance	FX Rate excl. FX fee	FX Rate incl. FX fee of 4%	Fund balance after transaction
US\$50.00	US\$-50.00	US\$100.00	-	-	US\$0.00
GB£0.00	GB£0.00	US\$100.00	-	-	GB£0.00
EU€60.00	EU€-60.00	US\$16.62	US\$1: 0.6919EU€	US\$1 : 0.7196EU€	EU€0.00
AU\$100.00	AU\$-16.96	US\$0.00	US\$1: 0.9815AU\$	US\$1: 1.0208AU\$	AU\$83.04

Important information about allocation of funds across different Currencies

If you transfer funds from one Currency to another Currency, or where we do so in accordance with the terms and conditions, a Currency to Currency Transfer fee applies. The applicable fee, applied to the transfer amount is 4% for all Currencies.

Example of the Currency to Currency Transfer fee for an allocation of funds from AU\$ to US\$:

Suppose you wish to transfer AU\$500 to US\$ and the prevailing exchange rate, as determined by us, is AU\$1.00 = US\$1.09. Before the Currency to Currency Transfer fee is applied, this would equate to US\$545.00 (AU\$500 x 1.09). After the Currency to Currency Transfer fee of 4% is applied (US\$545.00 x 4% = US\$21.80), the amount being allocated to US\$ is US\$523.20 (US\$545.00 – US\$21.80 = US\$523.20). Please refer to clause 8 of the terms and conditions for full details of foreign currency transactions.

2 The Card

- 2.1 Subject to Exchange Control Regulations, the Card can be (re)loaded in any available Currency. Payment will be in ZAR and the exchange rate will be applied by the Purchase Location. Please check with the Purchase Location or at www.cashpassport.co.za to find out how you can reload the Card, as we may make additional methods available from time to time. Unless otherwise notified to you, the Agreement shall apply to such additional methods. You may only use the Card in accordance with the Agreement.
- 2.2 The Currencies available in respect of the Card may vary from time to time. Before you make a decision to purchase a Card, please check with the Purchase Location or on www.cashpassport.co.za for details of available Currencies. We may introduce new Currencies from time to time. If we introduce a new Currency, the Agreement shall apply to such new Currency, and unless otherwise notified to you, the Fees and Limits section in the User Guide shall be deemed to be amended to apply to such new Currency.
- 2.3 Subject to clause 3.4 and Exchange Control Regulations, you are responsible for determining the amount held in each Currency and for ensuring you have sufficient funds for all transactions. Subject to the terms of the Agreement, you may allocate amounts between the various Currencies via **My Account** at www.cashpassport.co.za and/or by such additional methods as we may make available to you from time to time. You may check the Card balance and recent transactions via **My Account**. Please visit the Purchase Location who can advise on any additional formats for obtaining the transaction history of the Card that may be available from time to time.
- 2.4 At the time of purchase, you may request one (1) Additional Card, which can be used as a backup by you. The Additional Card is linked to the Card Fund and only you can use it and its PIN. The Additional Card must not be given to another person to use, this may lead to the Card being suspended. You may be charged a fee, as set out in the Fees and Limits section in the User Guide, for the Additional Card.
- 2.5 There is no interest payable to you on the balance and the Card Fund does not amount to a deposit with us.
- 2.6 Subject to our consent and Purchase Location participation, a Card may be sold to minors under the age of eighteen (18)

years. We will require: (i) the consent and assistance of the minor's parent or legal guardian, to be evidenced by a signature from that minor's parent or guardian; and (ii) verification of the identity of both the minor and parent or legal guardian, in accordance with our instructions from time to time.

3 Using the Card

- 3.1 There may be a delay of up to twenty-four (24) hours (or as advised by the Purchase Location), before you are able to use the Card.
- 3.2 Except for the CMA countries, the Card can be used worldwide wherever you see the MasterCard® Acceptance Mark at ATMs and merchants, including shops and restaurants and online purchases (except where the website is registered in the CMA, or at websites accepting payment in the currencies of the CMA), providing there are sufficient funds available on the Card for the transaction, including any applicable fees, subject to any restrictions in the Agreement and local law requirements. Although the MasterCard Acceptance Mark may be displayed, the Card may not operate in some countries or geographical regions, due to restrictions. Please verify the list of countries and regions with restrictions at www.cashpassport.co.za
- 3.3 Subject to clauses 3.4 and 8.3, the applicable Currency balance (and therefore the total Card Fund) will be debited with the amount of each cash withdrawal or transaction plus any fee, and these debits will reduce the balance of the applicable Currency (and therefore the total Card Fund). Merchants that accept the Card are required to seek authorisation from us for all the transactions that you make and we cannot stop a transaction once authorised. Some merchants may not be able to authorise your transaction if they cannot obtain an online authorisation from us. Examples include some in-flight purchases, car park vending machines and toll booths.
- 3.4 If there are insufficient funds in a particular Currency to pay for a transaction, the balance of the transaction will be automatically processed using other Currencies held on the Card, in the following order of priority: USD, GBP, EUR, AUD. If, following use of the available balances of all Currencies, there are still insufficient funds to pay for a transaction, the Card may be declined or the merchant may allow you to pay the balance by some other means. If we change the Currencies available to you in connection with the Card, we will notify you of the new order of priority for the purposes of the Agreement, directly to the contact details you provided to us when you purchased the Card and/or through www.cashpassport.co.za
- 3.5 When using the Card at certain merchants, including bars and restaurants, an additional amount (typically 10%-20%) is automatically added as an anticipated service charge or tip, temporarily reducing the balance on the Card. When the Card is used to purchase fuel at an automated fuel pump, the Card must have a minimum balance of typically between USD15-75 or currency equivalent. This is to ensure there are sufficient funds available to cover the final cost of the transaction and to reduce the risk of a negative balance arising on the Card. If your actual service charge or tip is less than the additional amount added or you spend less than the minimum amount when purchasing fuel, it may take up to seven (7) days from the date of the transaction before the difference is available to spend. Only the actual

amount of the final bill agreed between you and the merchant will be deducted from the Card. If the value of the final bill exceeds the relevant available Currency balance on the Card, the remaining amount will be funded by converting that amount into the next available Currency in the order of priority (see clause 8). For further information, please refer to the FAQs at www.cashpassport.co.za

- 3.6 We do not recommend using the Card as: (i) a guarantee of payment, for example as a deposit for hotels, cruise lines or car rental, as merchants such as these may estimate the final bill and this amount will be temporarily unavailable to access or spend; or as (ii) an arrangement for periodic billing, as any debits to the Card as a result of such arrangements will be considered to have been authorised by you. A transaction or payment cannot be stopped once you authorise the use of the Card.
- 3.7 The Card is only for your use and expires on the date on the front of the Card. Upon expiry, you will still be able to obtain a refund of the balance in accordance with the Agreement, or you may choose to transfer the remaining funds to a new Card. The Purchase Location may charge you for this service.
- 3.8 If the Card is damaged, lost or stolen while you are travelling, you may contact Card Services to request a replacement Card ("**Replacement Card**"). If you are in your home country and require a Replacement Card because your Card has been damaged, lost or stolen, you need to visit your Purchase Location. Any request for a Replacement Card must be made on or before the expiry of the Card (see clause 10) and the balance of the Card will be transferred to the Replacement Card. A Replacement Card will be free of charge.
- 3.9 **If you have not used the Card for loads, reloads or transactions for twelve (12) consecutive months, a fee will be charged for each month that the Card remains inactive after the initial twelve (12) month period. The monthly inactivity fee is deducted from the Card Fund. If a foreign exchange conversion takes place, the foreign exchange rate used is the rate determined by MasterCard to be the wholesale rate in effect on the day the fee is applied.**
- 3.10 **You agree not to use the Card for: (i) money transfers; (ii) accessing or purchasing goods from adult or gambling locations or internet sites; (iii) online or telephone purchases within the CMA; (iv) to obtain cash over the counter at a bank, any other financial institution or retailer within the CMA when making a purchase; or (v) for any unlawful activity. You must comply with all applicable laws and regulations (including any Exchange Control Regulations) in respect of the Card in the country of purchase and/or use. We reserve the right to suspend the Card, terminate the Agreement and exercise any other remedies available to us due to your failure to comply with any part of this provision.**
- 3.11 **The Card can only be used if it is in credit. If a Shortfall arises, following any transaction authorised by you, the resulting debit balance immediately becomes a debt, payable by you to us and we retain the right to recover this debt and a Shortfall fee may be payable (see the Fees and Limits section in the User Guide). You agree to reload the Card Fund, including the Shortfall fee, to bring the**

balance back to zero (0) or above, within thirty (30) days of request. If the Card Fund does drop below zero (0), you must not make any subsequent transactions.

3.12 We are entitled to set off any sum of money on the Card due from you to us against any positive balance on any other card held by you with us.

3.13 Any usage of the Card inconsistent or in contravention with the usage described in the Agreement is not permitted.

3.14 If you are entitled to a refund for goods or services purchased using the Card, or another credit for any other reason, this will be made to the Card, in the applicable Currency.

3.15 You acknowledge that we may be unable to provide you with our services if power outages occur which affect our facilities, electronic terminals, service providers or supporting networks and we hereby give you notice of unavoidable delays in the performance of our services if this occurs.

3.16 Except as otherwise set out in these terms and conditions or in the event we acted with gross negligence or fraudulent intent, any liability we have to you is equal to the balance or the value on the Card at any given time.

4 Keeping your Card and PIN secure

4.1 You must sign the back of the Card, as soon as you receive it.

4.2 You must do all that you reasonably can to keep the Card safe and the PIN and other security details secret and safe at all times and not disclose them to any third party.

4.3 You must never: (i) allow anyone else to use the Card, PIN or other security details; (ii) write down the PIN or any other security information together with the Card; or (iii) give the PIN to anyone, authorised or unauthorised.

4.4 We will never ask you to reveal any PIN.

4.5 The PIN may be disabled if an incorrect PIN is entered three (3) times. If the PIN is disabled, please contact Card Services for assistance. There may be a twenty-four (24) hour delay in reactivating your PIN for ATM use and we may not be able to reactivate the PIN for use at merchants. You will subsequently be required to sign for any transactions at merchants, provided that this is supported by and acceptable to the merchant.

4.6 You must call Card Services immediately and without undue delay if you lose the Card, believe it could be misused or you suspect that someone else may know the PIN or any other security details. We will suspend the Card to prevent further use. If a lost Card is subsequently found, it must not be used unless Card Services confirm it may be used.

4.7 You will be required to confirm details of any loss, theft or misuse to Card Services in writing and you must assist us and the police in any enquiries.

4.8 We may suspend the Card, with or without notice, if we think the Card has been or is likely to be misused, if you have breached the Agreement or if we suspect any illegal use of the Card. If we do suspend the Card, we will inform you of our decision, unless such disclosure is prohibited by law or would otherwise compromise fraud prevention or security measures.

4.9 You must memorise the PIN. **This is very important, as you cannot change the PIN issued with the Card.** For security

purposes, you should not keep the PIN written anywhere near the Card. If you forget the PIN, you can obtain a PIN reminder by going to **My Account** at www.cashpassport.co.za at any time and following the prompts, or by calling Card Services at any time, and answering the security questions you supplied on your application.

5 Liability for unauthorised transactions

5.1 We recommend that you check your transaction history and balance at least once a month. If you notice an error in any Card transaction, or a Card transaction that you do not recognise, you must notify Card Services immediately and in any event within thirty (30) days of the transaction debit date. We will request that you provide additional written information concerning any such Card transaction and you must comply with such request.

5.2 Except to the extent that we acted fraudulently or with gross negligence, you will be liable for all losses in respect of the Card if you have (i) acted fraudulently; (ii) failed to use the Card in accordance with the Agreement; (iii) have failed to notify Card Services without undue delay on becoming aware of the loss, theft or misuse of the Card; or (iv) have failed to take all reasonable steps to keep the Card's security features safe.

5.3 Where you are not liable for an unauthorised transaction, we will refund the value of that transaction and will have no further liability to you for any other losses you may suffer. If our investigations conclude that the transaction you have disputed has been authorised by you or on your behalf, or you have acted fraudulently, we will not refund the value of the transaction and we may charge you an investigation administration fee of up to US\$80. If there are insufficient funds available on the Card in USD, the amount will be funded by converting the outstanding amount into the next available Currency balance on the Card in the following order of priority: GBP, EUR, AUD, and a foreign exchange rate will be applied (see clause 8). The foreign exchange rate used is the rate determined by us in effect on the day the investigation administration fee is applied.

6 Fees and Limits

6.1 Fees and limits apply to the Card, as indicated in the Fees and Limits section in the User Guide. The fees we charge are subject to change from time to time, in accordance with the Agreement. You will be notified of any change in the applicable fees.

6.2 You agree to pay and authorise us to debit the Card Fund for the fees set out in the Fees and Limits section in the User Guide. These fees may be debited from the Card Fund as soon as they are incurred. If there are insufficient funds within this Currency to pay such fees, or the local currency is not a Currency available on the Card, then we will automatically deduct funds from USD or other Currencies, in the following order of priority: USD, GBP, EUR, AUD. Any such deduction of funds may be subject to a fee (refer to the Fees and Limits section in the User Guide).

6.3 From time to time, we may limit the amount you can load on the Card, or the amount you can withdraw from ATMs or spend at merchants over certain time periods. Some ATM operators

and merchants also impose their own limits on the amount that can be withdrawn or spent over a specific time period.

- 6.4 Certain merchants may charge an additional fee if the Card is used for the purchase of goods and/or services. The fee is determined and charged by the merchant and is not retained by us.
- 6.5 For details on the fees and limits that apply to the Card, please refer to the Fees and Limits section in the User Guide, or visit www.cashpassport.co.za

7 Multi-currency Cash Passport Card Fund

- 7.1 Until the expiry of the Card or termination of the Agreement, you can, subject to Exchange Control Regulations, add additional funds to each Currency through the Purchase Location (who will advise you of the acceptable methods of payment) or through other methods made available from time to time, which are set out at www.cashpassport.co.za, subject to certain limits and a fee (refer to the Fees and Limits section in the User Guide).
- 7.2 You may also be able to make a balance enquiry at some ATMs, although availability is dependent on the country and the ATM used. There may be a fee payable (to the ATM operator) for balance enquiries.
- 7.3 If an ATM displays a balance for the Card Fund, this may be displayed in a currency different to the Currency on the Card, in which case the exchange rate applied may be different to ours and a variation may occur. An ATM will not display a balance for each Currency. An accurate balance for each Currency can be obtained through **My Account** at www.cashpassport.co.za or through Card Services.
- 7.4 **Information sent over the internet may not be completely secure and the internet and the online systems are not controlled or owned by us or the Programme Manager. Therefore, neither we, nor the Programme Manager, can guarantee that they will function at all times. Except to the extent that we acted fraudulently or with gross negligence, we, and the Programme Manager, accept no liability for unavailability or interruption, or for the interception or loss of Personal Information or other data.**

8 Foreign Currency Transactions

- 8.1 The following are instances where a foreign exchange rate or fee will apply: i) initial load or in-branch reloads; ii) point of sale transactions, where the transaction is in a currency that is not one of the Currencies available on the Card (including any transaction where we deduct funds under clause 3.4 due to insufficient funds); iii) ATM withdrawals where the local currency is not one of the Currencies available on the Card (including any transaction where we deduct funds under clause 3.4 due to insufficient funds); iv) where you allocate funds from one Currency to a different Currency; v) where we allocate funds from one Currency to a different Currency, in accordance with the Agreement; vi) where you end the Agreement or request repayment of the balance of the Card under clause 9; and vii) when an investigation administration fee or a monthly inactivity fee is charged and there are insufficient funds available in USD. The method for calculating the foreign exchange rate or fee for each scenario is as set out below.

- 8.2 The foreign exchange rate used for initial loads and in-branch reloads varies by Purchase Location. When funds are loaded onto the Card, the payment is made by you in ZAR and we convert that amount into the Currency of your choice. You can ask the Purchase Location for the exchange rate beforehand. Foreign exchange rates are subject to variation and the rate that applies one day will not necessarily be the same on any other day.
- 8.3 If an ATM withdrawal or point of sale transaction is made in a currency which is different to any of the available Currencies on the Card, or exceeds the relevant available Currency balance on the Card, the amount will be funded by converting the transaction amount into the next available Currency balance on the Card, in the following order of priority: USD, GBP, EUR, AUD. The foreign exchange rate used is the rate determined by MasterCard® to be the wholesale rate in effect on the day the transaction is processed by MasterCard, plus the FX fee (see Fees and Limits section in the User Guide).
- 8.4 The foreign exchange rate used for allocating funds from one Currency to another Currency is set and determined by the Programme Manager and varies each day. A Currency to Currency Transfer fee also applies (see Fees and Limits section in the User Guide).
- 8.5 Where you end the Agreement, or request repayment of the Card Fund under clause 9, these funds will be converted into local currency (ZAR). The foreign exchange rate used for this is set and determined by the Purchase Location and varies each day.
- 8.6 Where an investigation administration fee is charged and there are insufficient funds in USD, the amount will be funded by converting the outstanding amount into the next available Currency balance on the Card. The method for calculating this is described in clause 5.3.
- 8.7 Where a monthly inactivity fee is charged, a foreign exchange rate may be applied. The method for calculating this is described in clause 3.9.

9 Redeeming Unspent Funds

- 9.1 You must redeem any unspent Card Fund through the Purchase Location within thirty (30) days of your return to South Africa in accordance with local law and regulations. Payment will be in ZAR and the exchange rate will be determined by the Purchase Location.
- 9.2 A fee may be charged by the Purchase Location for redeeming your balance at the Purchase Location. Please check with the Purchase Location. You can also contact the Purchase Location for more information on the applicable exchange rate.

We will not be liable to you for any non-acceptance of the Card, for disputes concerning the quality of goods or services purchased on the Card or any additional fees charged by the operators of these terminals (for example when you withdraw currency from an ATM, the ATM operator may charge you an additional fee for the service).**
