# Cash Passport

Cash Passport, a prepaid foreign currency card, is the new way to take your spending money abroad. You can choose to load the card in US Dollars, Sterling, Euros or Australian Dollars. You can then use the card to pay for goods and services in millions of restaurants, hotels and shops worldwide that display the Visa Electron symbol. It also offers instant access to the local currency of the country you are in, from more than one million Visa ATMs in over 160 countries.

## Convenient

Cash Passport is the most convenient way for you to take your spending money overseas. By using Cash Passport to pay directly for goods and services, or withdraw local currency from a Visa ATM, you can access your funds instantly, with no need to worry about local bank opening hours or lengthy queues.

## Extra Security

Your Cash Passport is PIN (Personal Identification Number) and signature protected, giving you peace of mind. If your card is lost or stolen, you forget your PIN, or you require advice about card usage, you can call our 24 hour helpline for immediate assistance. The phone numbers to call are listed in the tear-out section at the back of this guide and on the reverse of your card.

For added security, you have the option to purchase an additional card held in your name which is linked to the same funds. If one of your cards is subsequently lost or stolen you can report this and continue to use the other card, ensuring you still have access to your money without any inconvenience. You also have the option to purchase an additional card in the name of someone else, which is especially useful as they can also access the same funds.

## Easy to Budget

Cash Passport is pre-loaded with your travel money before your trip so you know how much currency you have to spend. As it is not linked to your credit or debit cards, there is very little danger of over spending.

## Reloadable\*

Your card is valid for at least three years, check the expiry date on the front of the card. It is an exchange control requirement that all unused foreign exchange is converted into Rand within 30 days of your return. We recommend that you wait until 10 days after your last transaction before doing this and ensure that all your transactions have been processed to avoid overspending on your card. You can withdraw the funds remaining on your card at any Visa ATM. Alternatively you can take your card back to the branch where you bought it and we'll refund you the balance. Even with a zero balance, your card is still valid (see expiry date on the front of the card), and you can reload it for your next trip anytime.

\*Local exchange control and FICA regulations apply.

## Global Emergency Assistance \* \*

Cash Passport includes Global Emergency Assistance, which gives you instant help, 24/7, wherever you are in the world. It is designed to help you with almost any emergency, through a single telephone call to the Global Emergency Assistance helpline. You can find the phone numbers to call listed in the tear-out section at the back of this guide and on the reverse of your card.

### Lost or Stolen

If your cash, credit or debit cards are lost or stolen, we can arrange emergency funds for you. And if a passport goes missing, we can help you in getting a new one.

### Medical Emergencies

We can put you in touch with local doctors or hospitals wherever you are in the world. And if it's an emergency, we can help arrange immediate treatment, and a flight home, if necessary.

### Need a Lawyer?

Fallen foul of local laws? Need legal assistance? We can put you in touch with a local lawyer to advise you.

### Interpretation

The last thing you need in a crisis is a communication problem. With one call, we'll arrange for an interpreter to help you over the phone.

### Send a Message Home

Whatever happens while you are abroad, we can pass a message to relatives or friends, keeping them up-to-date on the situation.

## Using Your Card\*

### Signing Your Card

Sign the signature strip on the reverse of your card with a permanent ballpoint pen immediately.

### Merchant Payments\*\*

When using your Cash Passport to pay for goods and services at a Visa Electron retailer, the transaction will be authorised online. The retailer will swipe your Cash Passport and you will be asked to sign a receipt.

### Withdrawing Cash\*\*

To withdraw local currency, insert your card into the ATM and follow the instructions provided on the screen. You will often be able to see the instructions in the language of your choice. Enter your PIN and the amount you want to withdraw in local currency. You may be asked which account you want to transact from – you can choose any option that is listed. Your cash will be dispensed in the currency of the country you are in.

### Your Personal Identification Number (PIN)

It is important to memorise your PIN to prevent unauthorised card use. We recommend you change your PIN to a number you can easily remember. If you must write it down, disguise it and keep it separate from your card, in a secure location.

To change your PIN, or if it has been lost, stolen or forgotten, contact us and we can help you obtain a new PIN quickly. Simply visit us at [www.cashpassport.com](http://www.cashpassport.com) or call the free phone number for the country you are in, as listed in the tear-out section at the back of this guide, and follow the instructions given.

### Lost or Stolen Cards

If your card is lost or stolen whilst you are abroad, call our 24 hour help line immediately. We will suspend the card and can arrange for emergency funds or a replacement card to be made available\*\*\*. The phone numbers to call are listed in the tear-out section at the back of this guide.

\* Please see the Terms and Conditions for further details about the information provided in this section.

\*\* Any merchant transaction or ATM withdrawal in a currency other than your card currency will be converted in accordance with the Terms and Conditions.

\*\*\* Subject to Terms and Conditions.

## Important Advice\*

### 1) Tips, Service Charges and Other Variable Costs

We do not recommend using your Cash Passport to pre-authorise payments. When using your Cash Passport as payment at certain locations, before the transaction is authorised the merchant or service provider will check your card balance for the value of the bill, plus an additional 10%-20%, which will automatically be added to cover tips, service charges or other variable costs. This is in line with standard card processing procedures.

Please note that your card may be declined for payment if your card balance is less than the bill amount plus the additional percentage.

Here are the details of the locations where this might occur, and the percentages that are likely to be added:

<b>Hotels</b>	<b>10%</b>
<b>Restaurants</b>	<b>10%</b>
<b>Drinking places, bars etc</b>	<b>20%</b>
<b>Cruise lines</b>	<b>15%</b>
<b>Vehicle rental companies</b>	<b>15%</b>

Your card balance must allow for the bill amount plus the percentage indicated above. For example, at a restaurant this could be an additional 10% of the final bill amount to cover service charges.

### 2) Confirmation of Minimum Balance

When using your Cash Passport at an automated fuel dispenser, your minimum card balance must be the following, prior to you using the service:

**Automated fuel dispensers £26 US\$49 €37 AUD\$25**

If your card balance is less than the required minimum balance, you must pay the service provider directly. For example, when using a Sterling card at an automated fuel dispenser your card should allow for a £26 authorisation prior to you using the petrol pump. If your card balance is less than £26, you must pay the attendant at the petrol station, instead of paying at the petrol pump. To ensure your transaction is processed smoothly, we strongly recommend you pay the attendant at petrol stations.

Please note that if the final cost is less than estimated (section1) or if you spend less than the minimum amount (section 2), it may take up to seven days for the difference in your account balance to become available.

**In all instances, the final amount will only be debited from your account if it has been authorised by you.**

### 3) Hotel Reservations, Vehicle Rental and Cruise Lines

If you provide your card as a guarantee of payment, for example at hotels or vehicle rental companies, the staff at these locations will estimate the amount of your expenditure and verify that your card has sufficient funds to pay your estimated bill. This preauthorised amount will be “held” against your account, making it unavailable for other purchases.

When you settle your final bill, the merchant or service provider should usually release the hold on these funds. However, it may take up to seven days for the “held” amount to clear.

Cruise lines will not accept your card for establishing an on board spending account when checking in. However, your card can be used in most instances to settle your final bill.

Due to the above reasons, and the potential amounts involved, we would therefore advise against using your card to preauthorise expenditure.

If you would like any further information about this you can call us using the numbers listed in the tear-out section at the back of this guide.

### 4) Split Payment

When combining your Cash Passport card with other forms of payment, you must notify the cashier before paying and confirm the amount that you wish to deduct from your Cash Passport. The cashier should process your Cash Passport first.

### 5) Returning a Purchase

Each merchant location has its own returns policy and a Cash Passport transaction will be handled in the same way as any other Visa card transaction when purchased goods are returned. You may receive a credit to your Cash Passport, a cash refund or a store credit. A credit to your Cash Passport may take up to three working days to clear.

*\* Please note that the percentages or minimum balance requirements may vary by merchant category and by country. Please refer to the Terms and Conditions for further details about this and all other information provided in this section.*

2.3 The Card (and any Additional Card) is our property and we may request you to return it to us or suspend its use if we believe there is a good reason (see clause 15.2) to ask for its return or to suspend it.

2.4 The Card is not a credit card and all use is limited to the amount pre-loaded and standing to the credit of the Account and any other limits referred to in these terms and conditions.

2.5 There is no interest payable to you on the credit balance of the Account and the Account does not amount to a deposit with us.

2.6 For the sale of products to minors under the age of 18 years, we require a signature from the minor's parent or guardian.

### 3 Activation and Expiry

3.1 The Card and an Additional Card is Activated and ready to use at the time of issue to you.

3.2 The Card is only for your use and expires on the date on the front of the Card. Any Additional Card will also expire on the same day as the Card.

3.3 The Card cannot be used after it has expired. However, expiry of the Card does not mean that you lose your money. You will still be able to obtain a refund of monies held on the Card, subject to any applicable fees (see clause 9).

### 4 Use of the Card

4.1 The Card may, subject to any applicable fee, be used to withdraw cash from a Visa ATM and/or to

pay for goods and services at retailers or merchants who accept Visa Electron cards. However, the Card may not be used for accessing or purchasing goods or services by telephone or the internet or to obtain cash over the counter at a bank or other financial institutions. The Card must not be used for any unlawful activity.

- 4.2 When a Card is used to purchase fuel at an automated fuel pump there must be a minimum of \$49 or equivalent credit in your Account. To make a telephone call there must be a minimum of \$15 credit. If you spend less than these minimum amounts it may take up to seven (7) days from the date of your purchase before any unused balance is available.
- 4.3 When a Card is used at bars or restaurants an additional percentage (usually 10% to 20%) may be automatically added as an anticipated service charge or tip. If your actual service charge or tip is less, it may take up to seven (7) days from the date of the transaction before the difference is available.
- 4.4 Certain businesses may not accept the Card as a means of pre-authorising expenditure and we advise that you do not use the Card for this purpose. If the Card is used for this purpose, some businesses (such as hotels, cruise lines and car rental companies) may pre-authorise the estimated amount of the final bill, and this amount will temporarily be unavailable. Only the actual amount of the final bill will be debited from your Account, although it may take up to seven (7) days from the date of the original pre-authorisation to cancel the pre-authorised amount.
- 4.5 Your Account will be debited immediately with the amount of each cash withdrawal or payment and any fee and will reduce the credit available in your Account. Each transaction will require authorisation or validation before completion.
- 4.6 Although the Visa Electron logo may be displayed in some countries the Card may not operate there (due to restrictions of Visa). The Agent or Customer Services may be able to confirm current availability.
- 4.7 If there are insufficient funds in the Account to pay for a transaction the purchase may be declined or the retailer may allow you to pay the balance by some other means.
- 4.8 You agree to accept a credit to your Account if you are entitled to a refund for any reason for goods or services purchased using the Card.
- 4.9 We cannot stop a transaction or payment once you authorise the use of the Card.
- 4.10 The ATMs and point of sale terminals are not owned or operated by us and we are not responsible for ensuring that they will accept the Card or any Additional Card.
- 4.11 You must comply with all laws and regulations (including any foreign exchange controls) in respect of the Card (or any Additional Card) in the country of purchase and/or use.

## 5 Card Limits

- 5.1 Most ATM operators limit the minimum and maximum amounts that can be obtained in a single transaction. These amounts may also be limited (in some countries) by regulatory controls.
- 5.2 There are limits on:
  - (a) the amount you may load onto the Card at any one time; and
  - (b) You may not hold at any one time more than one active Account per currency. For instance (save for any Additional Cards) you cannot have two active Euro cards in your name.
- 5.3 The above limits (together with other limits on the use of the Card) are set out in the accompanying leaflet. If you exceed any of these limits then your Account may be suspended (see clause 15.2).

## 6 Additional Cards

- 6.1 You may request an Additional Card through the Agent at the time you purchase the Card and a fee will be payable.
- 6.2 The Additional Card is used in the same way as the main Card but cannot be used to make credits to the Account.
- 6.3 An Additional Cardholder may be able to access information about the Account and change Additional Card details in the same way as you if you give them sufficient Security Details. We would advise against this.
- 6.4 You can de-activate an Additional Card at any time through the Agent or Customer Services.
- 6.5 You must ensure any Additional Cardholder uses their Additional Card in accordance with these terms and conditions and consents to the use of their Personal Information to operate the Additional Card.
- 6.6 You will be responsible for all transactions by an Additional Cardholder and any breach by them of these terms and conditions.

## 7 Your Account

- 7.1 Until the expiry of the Card you can add additional funds to the credit of the Account through the Agent, subject to certain limits (see clause 5). The foreign exchange rate used for placing of funds on the Account through an Agent is determined by the Agent.

- 7.2 You will be able to access your Account through Customer Services or My Account to:
  - (a) change a PIN;
  - (b) change some of your personal details;
  - (c) check your balance;
  - (d) check the last five (5) transactions through Customer Services or all transactions from My Account.
- 7.3 You may also be able to make a balance enquiry at some ATMs although availability is dependent on the country and the ATM used. There may be a fee payable for balance enquiries.
- 7.4 If an ATM displays a balance for the Account in a currency other than your Account the exchange rate applied may be different to ours and minor discrepancies can arise. An accurate balance can be obtained through Customer Services or through My Account.
- 7.5 Information sent over the internet may not be completely secure and the internet and the on-line systems are not controlled or owned by us so we cannot guarantee that they will function at all times and we accept no liability for unavailability or interruption.
- 7.6 Your Account can only be used if it is in credit. If it becomes overdrawn in error following any transaction authorised by you or any Additional Cardholder, you agree to repay the resulting debit balance to us within thirty (30) days of request. A fee may also be payable if the Card becomes overdrawn.
- 7.7 If we notice an error in your Account that is our fault we will correct it within five (5) days of becoming aware of the error.
- 7.8 If you notice any error in any transaction on your Account then you must notify us immediately at Customer Services and in any event within thirty (30) days of the transaction in question. We may request you to provide additional written information concerning any error.
- 7.9 Provided that you have complied with our reasonable requests for information we will correct the error if it is our or any of our service providers' fault. If we decide it is not our fault we will notify you in writing or by e-mail as soon as this decision is made.
- 7.10 We normally re-credit the Account within ten (10) days, although there may be a delay whilst investigations are completed.

## 8 Fees and Foreign Currency Transactions

- 8.1 You will be charged a fee when you purchase the Card or any Additional Card and if you load additional funds on to the Card.
- 8.2 For each withdrawal made from an ATM we will charge a fee. Some ATM operators may also charge you an additional fee that will be deducted from the Account. Not all ATM operators advise of this additional fee or the amount of the fee before you withdraw money from their ATM.
- 8.3 If you do not use the Card (or any Additional Card) or credit additional funds to the Card for a period of twelve (12) months a monthly account fee will become payable after this twelve (12) month period. This fee will be payable even if the Card has expired until the Account is closed. If the balance is less than the fee we will waive the remainder of the fee and the Account will be closed.
- 8.4 If a Card transaction or ATM withdrawal is made in a currency other than that loaded on the Card the amount will be converted into the currency of the Card. The exchange rate used for the conversion is the wholesale market rate or the government mandated rate (as determined by Visa) in effect the day the transaction is processed, increased by a margin determined by us.
- 8.5 All fees for the use of the Card or any Additional Card (including any fees for the Account) are set out in the leaflet accompanying these terms and conditions and will be debited from your Account.

## 9 Closing your Account

- 9.1 The Account continues until we close it in accordance with these terms and conditions or if you ask to close it, even if the Card has expired.
- 9.2 You may close the Account at any time through the Agent (up to expiry) or Customer Services (after expiry) and we will arrange for payment by the Agent of any credit balance or we will send you any credit balance in the currency of the Card.
- 9.3 If you experience any difficulty in closing the Account through the Agent then contact Customer Services.
- 9.4 If the Card has expired and there is no credit balance on your Account following the debit of any applicable fees we will automatically close the Account.
- 9.5 Once your Account has closed, you must destroy the Card and any Additional Card.

## 10 Emergency Assistance

- 10.1 You and any Additional Cardholders are entitled to Emergency Assistance from Activation until expiry of the Card.

10.2 The Emergency Assistance services are available to you or any Additional Cardholder, their partners and children under 16 years of age.

We will suspend the Account to prevent further use.

12.2 You may be required to confirm details of the loss, theft or misuse to us or our Agents in writing.
